## **Payment**

Amounts due will be debited to credit/debit cards on check-in. NO credit card or debit card fees are levied.

Captains/managers making block bookings are liable for any bedrooms not paid for separately by their players.

## **Cancellations and Amendments**

The agreed 4NCL rates are valid until four weeks before each weekend. After that date the hotels will do their best to give you the agreed rate; however, this is subject to availability and the current best available rate. We therefore recommend that you reserve your room prior to the four week release date if possible.

Players and captains are responsible for their own rooms once booked, and will need to contact the venue directly regarding changes or cancellations.

For individual bookings rooms can be cancelled without charge up to seven days before each weekend.

For block bookings by captains/managers:

(a) Up to 25% of rooms held on block bookings can be released without charge up to 28 days before the relevant weekend.

(b) A further 10% of rooms held on block bookings can be released without charge up to seven days before the relevant weekend.

If cancellations take place after these deadlines, the hotels will use their best endeavours to reallocate the room, but if this cannot be done you will be liable for the room cost. In practice, however, demand for rooms is such that the likelihood is that they can usually be reallocated.

## **Special Circumstances**

The hotels will do their very best in special/mitigating circumstances to avoid cancellation charges, although this cannot be guaranteed. The hotels do not aim to benefit financially from anyone's misfortunes.

## **Parking at 4NCL Venues**

Players should confirm vehicle details with hotels at reception on arrival. Our hotels employ third party contractors, and parking penalties may be levied if vehicle details are not provided to the hotel.

Please contact 4NCL should you receive a parking penalty that you consider unwarranted and we will do our best to help.
